

## **Code of Conduct**

- Team communication must be carried out through WhatsApp group chat.
- Members that do not work together with the team will be subject to disciplinary actions.
- All work should be divided equally between all team members.
- Inappropriate use of communication methods will not be tolerated.
- Every team member is entitled to their free time and won't be forced to attend group meetings in case they are unable to attend.
- Disciplinary actions, include a formal complain to the module leader, peer participation report score to be changed to reflect the lack of participation, etc.
- Team members should demonstrate initiative towards engaging in further work that's part of the current sprint.
- There's no group leader, everyone has an equal voice over group concerns and in how to continue to carry out the tasks at hand.
- Team members that do not show up to meetings or are consistently late will be subject to a verbal warning and later if their attitude doesn't change they will be subject to harsher measures.
